

In pursuit of A BETTER TOMORROW™

SUMMIT OBJECTIVES

- ❖ Analyzing the business models that drive change.
- ❖ Examining impediments in establishing ESG practices.
- ❖ Promoting corporate sustainability approach.
- ❖ Acquiring value-creating transformation in the leadership pipeline.

SUMMARY

The aim of CXO Summit 2022 is to attain corporate sustainability to sustain business organizations by defining and implementing a pragmatic strategy. In that pursuit, this event will serve as a prelude to the thematic assessment of challenges and solutions for corporate strategy formulation and implementation.

EVENT SYNOPSIS

Valor of Bangladesh along with International Institutions, Government Entities, Business Chambers, Private Organizations, Academia, and NGOs organizes a daylong mega summit to explore challenges, opportunities, and solutions towards sustainability through interactive panel discussions and a question-answer session with smaller groups.
